Can you hear Him in the chaos of Babylon?

1. The book of Daniel highlights the absolute wickedness of King Nebuchadnezzar (chapters 1-3), yet the prophet Daniel has a deep and sincere compassion for this evil king. Why?

2. How is God nudging you in light of this story?

3. How are God's people to think and act in times like these? What is God doing in our culture? What can we learn from Daniel, and how can we follow his example?
