PLEASANT VALLEY CHURCH HIGH SCHOOL MINISTRY 2014-15

THE MESSENGER

Move Wednesday Night

Hello everyone!! We have had an exciting month!! Wednesday night youth group has hit an all-time high this month with an average of 67 high school students coming to participate in youth group. We just finished up a mini-series on "What are some things to look out for". In this mini-series we talked about *Judgment, Relationships, Acceptance, and Slipping Away*. Next month we will be focusing on what is the point of Christ being born on earth and how does that affect our lives.

Move Sunday Morning

We have been consistent with numbers of 45 High School students. We have just finished up our series called the "Gospel Journey Maui". This focused on the hard questions of Christianity including: "Why do bad things happen" and "What Does knowing God Mean." We are now going to be transitioning into a new series called "What is Love."

Move Special Events.

The Mall of America Lock-In was postponed due to weather and we are still working out the details with the other groups involved, but it looks like January 3 will most likely be the new date. All of the 133 students who were signed up will be asked to sign up again for confirmation reasons and if you cannot make the new date you will be reimbursed your \$40 from the event unless you want the money to go towards sponsoring the many outreach students. Any new students who want to sign up can, but they will have to pay the \$40 regardless if they are a Pleasant Valley church student or a friend from school. **(Please make sure your student understands that!)** This is due to the added transportation costs of taking more busses to the next event. The bus Leaves at 8:30pm and arrives back at 5:00 am. Be there early!

We are putting on a winter retreat called "Stand Out" This retreat is at Camp Victory. The main focus is to raise up leaders in the youth group and to teach and train them to be the example of Christ. The Cost is \$60 till December 14 then it goes up to \$80 after that. Registration closes January 28th. The dates are **February 6-8**. Sign up at Youth Group or Sundays, must pay before you sign up.
