Pleasant Valley Church is pursuing an initiative that will do three things that require sacrifice, commitment and financial resources:

Repurpose the facility (classroom remodeling, audio-visual-lighting (AVL) needs, and traffic flow), Retire existing debt, and Bless local ministries.

To date, \$2,088,824 of the goal of \$3.6 million has been pledged. If you have not partnered with PVC in this way, please consider understanding the need and stepping out in faith to be part of something great. A detailed booklet, devotional, and pledge cards are available on the brochure kiosk. From April through November \$361,482 has been given toward the Initiative. Phase 1 has been completed and we are pleased with the new AVL system! Praise God that we were able to purchase excellent gear for significantly less than the estimated cost. Watch for more information regarding Phase 2.
